Specialty Kits

In addition to supplying low-income families with food, Hardee Help Center seeks to meet the other urgent need of low-income families. These need include having access to hygiene products, back-to-school kits, and new apartment kits. You can help us meet these needs by collecting items for these kits and compiling them into large Ziploc bags to be given to families. Please email Lidenia Servin at lidenia@hardeehelpcenter.com for more information about these kits.
